

## Dates to Remember

**Grad 2022** - June 25

**First day of classes** - August 30

**First day of Kindergarten** - September 6

## Principal Message

I can hardly believe it's the last day of school! Such a strange year we have experienced. We started in the midst of a pandemic wearing masks and ended our year on a high note seeing smiling faces again! Of course the return to "normal" also meant final exams. Unfortunately, not quite the same as riding a bike. We all had to relearn how to prepare for the rigor of a final exam. This came with some stress, but I am happy to report we made it through to the other side and now it's time to turn off the screens, put up our feet and relax...at least for a few days. Before we end this school I want to take the opportunity to thank our students, parents and staff for their grit and determination to not only get through a difficult time, but doing so with integrity! I wish you all a relaxing break. Stay safe everyone. See you in August.

## A few visuals to wrap up the year!

The last assembly our Grads shared a few memories and a little bit of advice with the student body. 🙌 High five to all of you for your hard work! Not everyone could be with us at the assembly. I will post again in the fall pictures from our ceremony on Saturday.

Walker Duggan, Austin Gerylo, Reed Johnson, Mansi Peats, Daniel Stepheson, Charleigh Thompson, Connor Zavisha, Jax Zavisha

We had A LOT of Tiger Award winners in the month of June. So many Ms. W had to take the picture from our balcony to get everyone in.

## And the lucky winners are.....

We collect all of the TIGER tickets that are given throughout the year and put them in a final draw. One lucky elementary and one lucky Jr/Sr student's name is drawn from the bucket for the final prize. This year's winners are Sebastian Olson and Leah Vick. Thank you to Mrs. Dei for her hard work to keep our incentive program running smoothly.

## A Trip to Dunvegan

The elementary students took a trip to Dunvegan. Here are some of the grade 6 pictures from that trip.

## And a few random pics from June

Mr. Watson's welding class completed a fire pit. The pit was in the Grad auction this year.

The Hines Creek Community BBQ was a huge success! We had a lot of fun visiting with everyone. Thank you for supporting a bake sale and “dunk” tank. The funds we raised will be going towards our playground and CTS program. A big thank you to Mrs. Burns, Mr. B, and Mrs. Charchuk for agreeing to be “dunked”. Also to Miss K, Mrs. Portsmouth and Mrs. Smith for being our excellent hostesses!

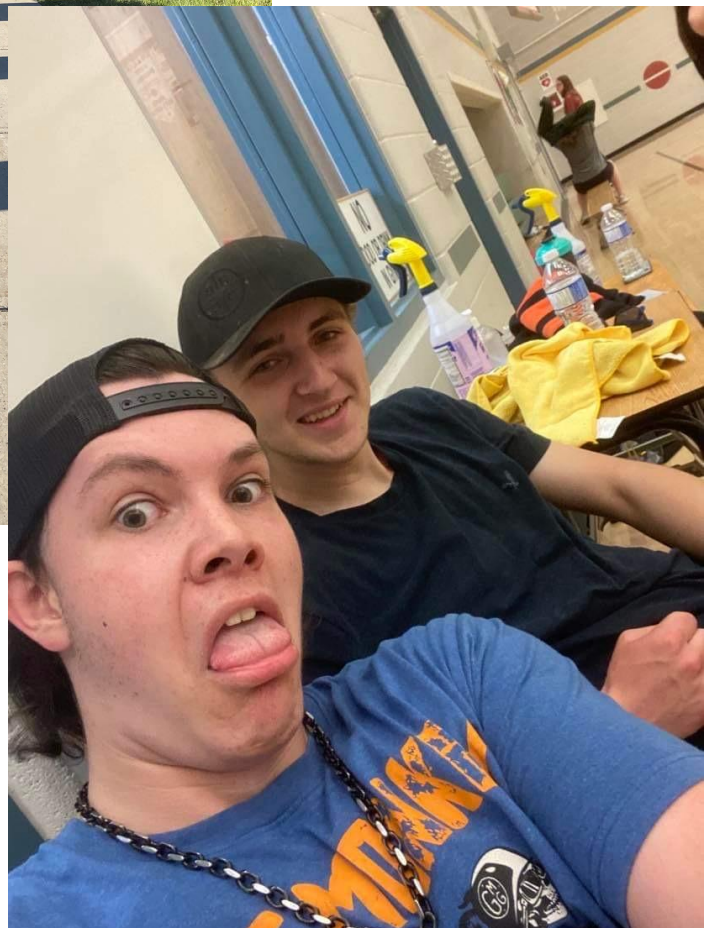

**Photo bomb on the last day - thanks Liam!**

**And this is what happens when you leave your phone unattended in the classroom...**

**Jax always has the  
best modes of  
transportation...**

## **Farewell to Miss Kamieniecki, and Ms. Lawrence**

**Both Ms. Lawrence and Miss K joined us in the second semester this year. Miss K took over in Grade 6, and Ms. Lawrence took over Mr. Aldridge's classes.**

**Ms. Lawrence is off to FHS to teach Home Ec next year.**

**Miss K signed a contract to teach Grade 2 in Valleyview.**

**We wish you  
both all the  
best!**

## A final farewell to our Graduation class of 2022!
